

Warm-up (5 minutes)

Direction: On a separate sheet of paper, answer the following questions quietly at your seat:

- 1) Put your name, today's date, and the period on your paper
- 2) Did you begin the warm-up before the bell ring? yes / no
- 3) Where, inside the classroom, can you locate the homework for the entire week?
- 4) What is the website for checking Mr. Lee's class work and homework?
- 5) Finally, some math problems to get you back into "math" shape:
a) $12 + (-3) =$ _____ b) $(-5) + (-10) =$ _____
- 6) Keep this paper on your desk, you will use it again towards the end of the period

Go-over syllabus, and consequences (10 minutes)

- Read syllabus silently (3 minutes)
- Students ask questions (3 minutes)
- Mr. Lee points out important informations (3 minutes)
- Mr. Lee points out consequences for violating class norms and cell phone use. (2 minutes)

Core Value Activity (20 minutes)

(6 minutes)

- Read through the given list of core value that you associate yourself with.
- On a separate piece of paper, write your name, today's date, period and "Core Value Activity".
- On the sheet of paper, write out ALL the core values you associate yourself with.

(5 minutes)

- From your piece of paper, sort the core values you wrote down into 5 categories that you think are similar or you think should be grouped together.

(2 minutes)

- Pick 1 Core value from EACH of the 5 categories, and write them on the index card provided. (you should have 5 core values written down total.)

(1 minute)

- Write your First and Last name, and period on the BACK of the index card.

(3 minutes)

- Share out some core values.

(1 minute)

- Pass your index card to the front of the row. The first person in each row will hand the index cards to Mr. Lee.
- Leave the activity sheet on your desk, other periods will be using the same sheet to do the activity.

(1 minute)

- Put your paper labeled "Core Value Activity" in a folder, you will need to have it with you for the remainder of the week.

Exit Ticket (5 minutes)

Direction: Answer the following questions on the same piece of paper as your Warm-up:

- 7) What is the table number you are sitting at?
- 8) What is the name of the person sitting next to you?
- 9) What is one core value you picked from the class activity today?
- 10) Finally more math before you leave my room today:
c) $23 - 7 =$ _____ d) $(-15) - 7 =$ _____
- 11) Turn in you paper (with your warm - up and exit ticket) to Mr. Lee before you leave the class.
